

SPIRIT OF LIBERTY FOUNDATION

The Victims of Hurricane Helene Need An
"American Christmas Miracle"™
To Lift Their Spirits and Spread the Magic of Christmas

The Hurricane Helena Tragedy:

The aftermath of Hurricane Helene, a powerful Category 4 storm, left the widespread destruction across the South and was one of the worst storms in U.S. history. Helene reduced houses to splinters, crushed cars, and left highways buried in mud. The stricken states of Florida, Georgia, South Carolina, North Carolina Tennessee and Alabama now face a long and difficult recovery.

Sadly, over 200 people have perished, and hundreds of people are still missing.

American Christmas Miracle :

The Spirit of Liberty Foundation has created an *American Christmas Miracle* with the Foundation's iconic *America's Santa* to make very special and greatly needed visits to the impacted families in the six states to lift their spirits, bring the magic and spirit of Christmas, and provide gifts to the children which they would not otherwise have.

American Christmas Miracle Elements:

The Governors and First Ladies from the impacted states are invited to participate in the *American Christmas Miracle events* and provide a letter of invitation to the Spirit of Liberty Foundation. (See attached example). Additionally, hundreds of celebrities and high-profile Americans are invited to become "Santa's Honorary Elves" to participate and support this effort and help raise funds utilizing their social media.

Also, everyday Americans will be given the opportunity to become a "Christmas Angel" or a "Santa's Honorary Elf" and each will receive an honorary Family Heirloom certificate for their support.

American Christmas Miracle Sponsorships:

A limited number of high-profile American companies and organizations will have the opportunity to provide both financial support as well as goods and services. Sponsors will be able to indicate their support by utilizing the Official trademark *American Christmas Miracle* logo in their communication materials and on social media.

The Victims of Hurricane Helene Need An
"American Christmas Miracle"™
To Lift Their Spirits and Spread the Magic of Christmas

Background and Credentials:

The Spirit of Liberty Foundation has a long history of lifting the spirits of people who suffered through similar disasters.

When the *Katrina and Rita Hurricanes* occurred, the Foundation created "Santa's Traveling Workshop" which traveled through the ravaged Gulf States of Texas, Louisiana, Mississippi and Alabama by invitation of each of the Governors as well as First Lady Laura Bush to provide families and children a visit from the Foundation's *America's Santa™* giving over 400,000 children and families over \$14 million in gifts for a Christmas they would not have had.

In 2018, the devastating *Camp Fire/Paradise Fire* the deadliest and most destructive wildfire in California's history and destroyed over 18,456 homes and killed over 100 people. Within days, the Spirit of Liberty Foundation collected over \$1 million of gifts for our *America's Santa* to provide the gifts to the thousands of very grateful survivors, the brave First Responders and most importantly, the children.

The *Marshall Fire*, another destructive wildfire occurred on December 30, 2022, in Boulder, Colorado with over 1,000 families losing their homes just days after Christmas. The Spirit of Liberty Foundation again created a special effort - a "Magical 2nd Christmas to Remember" giving over a million dollars of donations for the families and children.

Last year in 2023, over 2,000 families/victims tragically lost their homes in the devastating *Lahaina Maui fires*. The Spirit of Liberty Foundation created a "Magical Maui Christmas" with our *America's Santa*, Governor Josh Green, MD and First Lady Jaime Green, and Maui Mayor Richard Bissen participated in distributing gifts to the families and children.

Also, last year the Spirit of Liberty Foundation lifted the spirits of the East Palestine children after the tragic train derailment that contaminated the community's soil, water, air, and quality of life. Over 500 Teddy Bears and stuffed animals were given to the children at East Palestine Elementary School by America's Santa and his Elf!

**The Victims of Hurricane Helene Immediately Need
An “*American Christmas Miracle*”™
To Lift Their Spirits with the Magic of Christmas**

May our Flag rise above disasters and fly forever!

Sadly, in this politically charged and deeply divided time, Americans need to come together, as they always do, to help our fellow Americans impacted by the devastating Hurricane Helene. **It's the American Way!**

To accomplish this, Spirit of Liberty Foundation has created an *American Christmas Miracle* with our iconic *America's Santa* making very special and greatly needed visits to the families in the six impacted states to lift their spirits, and give them the magic and spirit of Christmas, including providing gifts for the children.

For more information on how you can become an “American Angel” or “Santa’s Honorary Elf” call 858.759.2000 or email Info@SpiritofLibertyFoundation.org
